MY FIRST DAY AT SCHOOL

My mum woke me up in the morning to get ready for school. I was a little nervous because I had not gone to school for a long time. My mum dropped me to school. The teachers checked my temperature and then I walked to my class. I saw my teacher and my friends. My teacher's name is Ms Manju Bassi. My teacher took all of us on a tour of the school. I saw the computer lab, multi purpose hall, library, field and swimming pool. We went back to class and had our break. We went out to play. We had to wear our masks all the time so we don't pass germs to others. Then we had Gujarati lesson. Ms Priti came to teach us and other children from other class came to my class. After classes the bell rang for lunch and we ate in our class and went to out to play again. It was very hot. We watched stories on the projector. It was almost home time, Yaaay! My mum picked me up. School was so much fun but I was very tired.

My friends and I played on the playground with our teachers. We went home at three o'clock. At home I changed my clothes and sat down to read a book. I enjoyed school lessons very much.

Monday 11th January 2021 was my first day to school. My dad dropped me to school. I was told to sit on a bench. Then I was called by a teacher to check my temperature and later I was shown my class. I was happy to see my friends. We were told by the teacher to sit far from each other. When my teacher Miss Alice came in the class we first prayed. We had two teachers in our class Miss Alice and Miss Mary Ann. Our two teachers took us around the school. We saw the swimming pool, playground, office and different classes.
