Fostering confident and dynamic individuals with the right attitude and perseverance to take on any challenges that come by in life.

## MESSAGE FROM THE HEAD'S DESK

Dear Parent,

**P**rimary Campus has been bustling with excitement in anticipation of the school reopening.

Preparations to receive the learners were in full swing for the last two weeks. The teachers had a round of Team Building exercise facilitated by the HR department to perk up and rejuvenate their spirits. They also went through an orientation program on Monday 30<sup>th</sup> August 2021 which focused on the **Reading Program for learners** and the **Understanding online Teachers Portal and its usage in teaching and learning**.

Teachers were elated to welcome their students back in school and they spent a lot of time arranging their classrooms, decorating the soft boards, arranging the text books.

Finally, on reopening day, it was wonderful to see the excitement on the learners faces. They looked so happy to be back to school. The learners are settling in quite well in their new classes. It was amazing to watch the year ones come to their new school with such ease.

The learners have already received their text books, note books and school diaries. The Class time tables have already been shared with them.

We are now looking forward to the commencement of the activities from next week. We request your cooperation in the same.

As the term unfolds let us take this opportunity to thank you for the support you have been giving us right through. A special thank you for your cooperation during the pickups and drops, following the protocols and for a smooth reopening.

We have a long and busy term ahead of us and I am confident that with your support it will be a successful one.

**Head of School**

**Ms. Anjana Vijayan**
