PRIMARY WEEKLY NEWSLETTER

‘All our knowledge begins with the senses, proceeds then to the understanding, and ends with reason. There is nothing higher than reason.’ –Immanuel Kant

MESSAGE FROM THE HEAD'S DESK

"The only way forward, if we are going to improve the quality of the environment, is to get everybody involved," – Richard Rogers

In support to the quote above, it is my pleasure to invite you to join hands with us and support activities that work towards protecting and safeguarding our mother Earth. For the better future of our learners let us be an active part of the **Green Initiative**. In support to this we request parents to be role models to our learners so that they too get motivated towards the same in future.

We encourage and request parents to partake in **CAR POOLING** initiatives during pick-ups and drops. Bond with your neighbours and come up with a carpool plan that will not only save you time and energy, but will also motivate our learners to take on the responsibility of protecting their environment, upon themselves.

Let us as a **school community** set this as an important agenda to achieve this new academic year. My commendations to parents already following this and I request you to encourage others to join this initiative.

If you haven't been carpooling so far, its about time to start.....before it gets too late.

Lets together make this world a better place for our learners to take on.

"We do not inherit the Earth from our ancestors; we borrow it from our children!!!", – Chief Seattle

Week
2
Brief

"We now accept the fact that learning is a lifelong process of keeping abreast of change. And the most pressing task is to teach people how to learn." – Peter Drucker

Let's Keep Learning

Students listening keenly during assembly session

'Tell me and I forget. Teach me and I remember. Involve me and I learn.' —Benjamin Franklin

Students engaged in Reading Programme

IED Students engaged in various activities during lessons

IED Students engaged in various Sporting activities

Year 4,5 & 6 Students participating in various activities

Students engaged in various learning lessons

Year 1,2 & 3 Students participating in various activities

Big Picture

“There is no end to education. It is not that you read a book, pass an examination, and finish with education. The whole of life, from the moment you are born to the moment you die, is a process of learning.” – Jiddu Krishnamurti
