# MESSAGE FROM THE HEAD OF SCHOOL

As curtains fall on Term 2, I would once again like to appreciate our learners for all their achievements. In tandem a big thank you to all our teachers who have done a great job guiding our learners at every step and bringing them this far. As our learners transit from one class to another the changes in them are very swift. When we meet the year 7 learners, after they exit Primary, as they pass through the Primary Campus, we notice the metamorphosis in them within just a few months...changes for the good.

Their responses are so polished and matured that sometimes it is hard to believe that they are the same little ones who were here just the other day. Behaviours are so modified. But behind that polished and matured behaviour is a lot of hard work from parents and our teachers who have tirelessly worked to make our learners more responsible young adults. Our appreciations to our parents and teachers for their hard work and time invested in our learners. All the efforts put in will surely fetch results in the long run.

Our year 6 learners are now all set with their preparations for term end exams. They are also looking forward to the Easter break for a quick relaxation as they will now get ready for the Special classes from 7<sup>th</sup> April to 10<sup>th</sup> April 2026, that will focus on revision of past years papers.

The activities this term, were both well planned and well executed. Starting from Inter school Spelling Bee to Inter-School Swimming Gala, our learners did an amazingly great job. We also hosted our Interclass swimming gala that was again a platform for learners to show case the prowess in the different strokes. The PIPPSA Interschool swimming gala and the Oshwal Interschool swimming galas gave opportunities to showcase discipline, endurance and technique. Their collective efforts paid off as the team managed to scoop the first position overall.

A few of our learners excel in Art and craft and they had a great time during the Fun Art fest event. This event promoted and enhanced the artistic skills in the learners as they painted to the theme **Going Green with Art**. Their smiling faces were a testament to the great time they had.

The Assembly presentations by Year 1 on 'Endangered Species'... their abilities to articulate fascinating facts about the magnificent animals left the audience spell bound. Through their fascinating presentations they also emphasised on the importance of conservation which in turn stirred a sense of responsibility on all of us. The year 3s also did an amazing job. Through simple roleplays, songs and dances they brought about the importance of core value and scenarios on how core values like courtesy, tolerance, compassion amongst others, can be a part of our every day life. A amazing way to learn!

As I sign off I would like to thank our Academic Consultant, Mrs Jyotsna Chotai and the OERB for their support and encouragement.

**Wishing you happy holidays**

**Ms. Anjana Vijayan**  
**Head of School - Primary Campus**

# CO-CURRICULAR COORDINATOR'S DESK

## Co-Curricular Department End of Term 2 Academic Year 2025–2026 Update

This term has been an exciting and enriching period for our learners as they engaged in a wide range of co-curricular programs designed to nurture their talents, build character and promote holistic growth. Our commitment to developing well-rounded individuals was evident through the vibrant activities, competitions and clubs that ran consistently throughout Term 2.

We are pleased to note that our learners actively participated in every activity and acquired essential skills that extend beyond the classroom. Through Sports, Arts, Clubs and various leadership opportunities, they demonstrated teamwork, creativity, discipline and resilience—qualities that play a vital role in their overall development. As we conclude the term, we celebrate the achievements, progress and enthusiasm shown by our students. We look forward to even more exciting and impactful activities in the coming terms as we continue to support their holistic development.

**Mr. Samuel Kilolo - Co-Curricular Coordinator**

# PASTORAL COORDINATOR'S DESK

## End of Term 2 Overview

As we conclude the term at Oshwal Academy Nairobi Primary, I would like to extend my sincere appreciation to our students, staff, and parents for their continued commitment and cooperation. Our learners have demonstrated commendable growth in character, discipline, and academic engagement, reflecting the shared values of our school community.

Throughout the term, the pastoral team has worked closely with students to support their well-being, promote positive behaviour, and foster respectful interactions. We are grateful to parents and guardians for their consistent partnership, which remains essential in nurturing a safe and supportive environment for all pupils.

As we break for the holidays, we encourage families to maintain open communication with their children and to remain mindful of their digital safety and emotional well-being.

We look forward to strengthening our pastoral programmes in the coming term and continuing to uphold the high standards of care and guidance expected at Oshwal Academy Nairobi Primary.

Wishing all our learners and families a restful, safe, and pleasant holiday.

Warm regards,

**Mr. Joseph Musyimi - Pastoral Coordinator**

# BACK TO SCHOOL

**Welcome Back! Ready to conquer**

## WELCOME MESSAGE

Our staff happily welcomed the learners back to school. It was delightful to see the candid smiles of happiness on the faces of our learners, as they came to school.

**Standing tall and ready to shine.**

**Standing Strong and smiling bright!**

# Sports Activities

## Sports Department Term 2 2026

Term Two has been a season of energy, excitement, and achievement, with our students returning from the long holiday to immerse themselves in a wide range of sporting activities. The term began with the Interhouse Football competitions, which reignited the sporting spirit among our learners. The matches were competitive, full of energy, and provided an excellent platform for teamwork, resilience, and sportsmanship. The atmosphere was electric as houses rallied behind their teams, and the event reminded everyone of the joy and unity that sport brings to our school community.

This was a hockey term, and our students had the opportunity to take part in both home and away fixtures against other institutions. These matches allowed them to challenge themselves and sharpen their skills, while also building confidence and camaraderie. The highlights of the season were the tournaments, with the U9 hockey teams proudly hosting the Annual Interschool PIPSSA Hockey Tournament, welcoming visiting schools and showcasing their talent on home ground. Meanwhile, the U11 hockey teams were hosted by the School of the Nations (SON) for their annual tournament, where they gained valuable exposure and experience. Alongside hockey, our students also participated in basketball, football fixtures and swimming galas, further broadening their sporting experiences and strengthening their competitive edge.

# Sports Activities

The PIPSSA Bike-Athon at Potter House was another memorable event, where our students shone brightly and enjoyed themselves immensely. It was a day filled with fun, endurance, and teamwork, as participants cycled with determination and joy. In addition, a number of our athletes represented the school at the PIPSSA Triathlon competition hosted by Crawford School, showcasing versatility and resilience across swimming, cycling, and running. Their participation reflected the holistic training and spirit of adventure that defines our sports program.

Swimming was a major focus this term, with events that catered to all age groups. Year One, Year Two, and IED Department students took part in the annual Interhouse Swimming Display, a colourful and inclusive event that celebrated progress and participation. Year Three to Six students then took center stage in the thrilling and much-anticipated Interhouse Swimming Gala, where house pride was on full display and the competition was fierce yet friendly. Our U9 swimmers competed in the PIPSSA Inter-school Stroke Gala, which we proudly hosted at our school's pool, giving them the chance to shine in front of a home crowd. They also took part in the PIPSSA Developmental Gala at Crawford School, gaining valuable experience. Our advanced swimmers excelled at the PIPSSA Advanced Swimmers' Gala hosted by NOVA School, where they secured top podium positions and brought honour to the academy. The swimming season culminated with our school hosting the Annual OAN Interschool Gala, which attracted many schools and ended in a resounding victory for Oshwal Academy.

Football remained a strong highlight throughout the term, with numerous fixtures both home and away. The U9 football teams hosted the PIPSSA Football Tournament at our school, performing exceptionally well and demonstrating skill and determination. The U7 football teams competed in the tournament hosted by SON, while the U11 football teams took part in the tournament hosted at Crawford International School. The U8, U10, and U12 teams participated in the inaugural PIPSSA Football Tournament, with the boys hosted at Strathmore School and the girls hosted by SON. To crown the football season, the U7 mixed football team travelled to Braeburn School Nanyuki, where they took part in the Annual U7 KAIS Football Festival. The students had fun, played with passion, and emerged as champions, bringing pride to the school and joy to their peers.

# Sports Activities

Term Two has truly been a testament to the dedication and enthusiasm of our students, staff, and the wider school community. From Interhouse and interclass competitions to interschool tournaments across football, hockey, basketball, swimming, and multi-sport events, our learners have embraced every challenge with resilience and joy. The Sports Department remains committed to fostering inclusivity, teamwork, and excellence, ensuring that every child has the opportunity to shine. We look forward to building on these successes and achieving even greater heights in Term Three.

# SCHOOL

## ASSEMBLIES

**Year 3B students confidently showcasing Tolerance.**

Our school assemblies were truly a celebration of talent, confidence and meaningful learning. Each morning assembly brought something unique and uplifting, leaving our students energized and inspired for the day ahead. Class 1A captivated the entire school with their beautifully executed class presentation on the theme: "Endangered Animals in Africa – The Black Rhino". Through expressive narration and a delightful song, the young learners brought awareness to the importance of protecting one of Africa's most iconic—yet critically endangered—animals.

## Board Games

I like Board games because I get to play a variety of games- Spelling puzzles, Ludo, snake and ladders. I play with my friend Dhrumi and have lots of fun. She does team work with me. I help her with some of the puzzles and she helps me too. We have alot of fun.

**Antara Ruchir Patel - Class 1F**

## Board Games

My activity is Board games and it is a non-paid activity. I like Board games because we play with puzzles. We play in Year 2 class which is next to the Library. I like playing with puzzles because you became creative and sharp while trying to solve the puzzles.

**Dhrumi Shailesh Darji - Class 1F**

## School Band

I love music and I am very excited also. I like to be in the school band team as I like to play drums. I also learn to be disciplined and I get the opportunity to prove myself by doing the best for the school band. I also get to build my confidence.

**Maahir Ravi Shah - Class 1F**

## School Band

I like school band very much as I get to play a variety of musical instruments- drums, piano etc. My five other classmates also have joined the school band and they enjoy playing the drums and piano.

**Raghav Parikshit Deoghare - Class 1F**

## Art and Craft

I chose Art and Craft as an activity because I like making pretty things with my hands. I love drawing, colouring, cutting and sticking. It makes me happy when I make something all by myself. Art is fun and relaxing.

**Gavneet Kaur Panesar - Class 1F**

## Art and Craft

I like art and craft as we make different beautiful and colourful things like a butterfly, a bird and decorating a hand after tracing it. I love to draw and colour and I like this activity very much.

**Aishleen Kaur Angad - Class 1F**

## Play Ground Games

I love to play games and hence I chose the activity. We get to play a variety of games- football, playing with hoola- hoops, skipping a rope and running etc. We learn to be fit and healthy while playing games.

**Leon Kidiavai Ogallo - Class 1F**

## Play Ground Games

I like playground games because we play football. I chose this activity to be fit and strong. We play games outside in the ground where we get fresh air.

**Dhrish Anik Malde- Class 1F**

## Oratorical

Oratorical is the best activity because I do fun things and I play fun games. I write fun things and I get to speak about them. I like Oratorical club as it helps me to speak with confidence and pronounce words well.

**Aarya Upadhyay - Class 1F**

## My Swimming display

On my swimming display day, I had fun!

First, I changed into my swimming costume, then our teacher led us to the swimming pool.

We warmed up and started our session. Our first stroke was freestyle. Then we did back-stroke and breast-stroke. Then we went to the shallow-end to swim freestyle.

Then we changed to our clothes. I enjoyed my day so much!

## Nkenna Cheron Tuimising - Class 1C

## My Swimming display

On my swimming day display, first I went to change. We went to the swimming pool to swim. First the Year 2 went to swim then the Year 1 followed. We took a long break and then I ate my snacks. I relaxed and then the Shallow-enders who were waiting went for a free swim.

We then came to class. The teachers gave us potato crisps and juice. It was nearly lunch time and school was half day on Friday. We went to the blue benches and waited to be picked by our parents. It was my most fun day ever!

## Giannis Jomo Mwaniki - Class 1C

## Fun Day Overnight Camp

I enjoyed the fun day at Two Rivers Mall. First, we went to the trampoline and jumped. Then we went on the tower ride. It was the one that I liked most. Later, we went for other rides, then went back to school.

At school, we took our suitcases to different classes and I was put in 1D. we went for lunch and I enjoyed because it was delicious. After lunch, we went back to the classes to change for swimming. We did free swimming. After swimming we took a shower, changed into our pyjamas and went back to the classes to wear warm sweaters. Next, we went to Junior High to take hot chocolate.

After all that, we went back to the classes where we were placed and took our blankets, bedsheets and pillows so that we could set up our tents. We made our beds and then heard a whistle which gathered us to play games. Later, we went for dinner. We ate chips and pizza. Then we went to our tents to sleep. We were told a bedtime story and we slept.

In the morning, we woke up and went to our classes to pack our blankets, bedsheets and pillows in the suitcases. Then we went for breakfast.

## Zoe Chileleko Sikumba Class 1A

## Fun Day Overnight Camp

One day at school, my teacher told us that we had to pay for the overnight camp. My parents paid for me. When I came for the overnight camp, I saw Ian, Ryan and Dheer. Later, we walked out of the gym and got on the bus. In the bus, I sat with Nathan and Ryan and we were playing rock paper scissors. When we reached Two Rivers, we got into a place that had many types of games. First, we went on the trampoline and next we went on a ride that went up and down. After that I went for a swing ride. It went left and right. Later we went on a water slide in a boat. Nathan and I got went. Finally, we went back to school.

In school, it was at night, we went into our tents. We applied mosquito repellent. All of us were so tired, but instead of going to sleep, we went for balloon popping. All of us had a balloon. When Mr. Ndolo blew the whistle, we all ran to pop each other's balloon. I ran fast and I was tired then my balloon was popped. I went for the people with balloons. Next, we watched a movie.

We went to sleep. Next morning, we went to the gym and watched a movie again after which we had a magic show. Then we got picked up by our mothers.

## Fun Day Overnight Camp

One day I went on a school fun day overnight camp. I went to Two Rivers. We got onto a trampoline. We had fun because we went on scary rides. Some of them were too fast. Next, we played games on machines.

Later, we went on the swings and the boat ride. We had to wear raincoats so that we do not get wet.

When we went back to school, we took our suitcases and went to 1A. I wore my swimming costume and went to the swimming pool. We played in the water. When it was over, we took a shower, wore our pyjamas and went back to the classes. We took our blankets and pillows and took them to the tents. We made our beds and then got out to play games like tag. After one hour, we went for dinner. Then we had a bonfire.

Finally, we watched a movie and went to sleep. In the morning, it was raining so we had to wait in our tents for the teachers to come with umbrellas. We brushed our teeth and went for breakfast.

## Spelling Bee

My spelling bee experience was truly unforgettable. I am truly grateful to my teachers for the incredible honour to represent my school. Stepping onto that stage filled me with excitement, and it was a joy to connect with talented students from various schools, each with their own unique stories. When we secured second place, a wave of pride washed over me, making the effort and preparation worthwhile. It was a moment I will cherish forever.

**Bhuvan Kerai - Class 2E**

## Spelling Bee

The spelling bee was an incredible experience for me as the group leader. The excitement of the tie-breaker round was thrilling, and I was so proud that Oshwal Academy Nairobi Primary finished in second place. Sharing this achievement with my mom truly motivated me. The first round showcased our teamwork, and although the second round was challenging, it pushed us to rise to the occasion. Finishing strong in the third round highlighted our growth and determination. Overall, it was an unforgettable journey filled with joy, learning, and solidarity!

**Tanvi Shah - Class 2B**

## Spelling Bee

I recently participated in a spelling bee competition, which I was excited about despite the commitment it required, making me forgo lunch breaks with friends for practice. On the day of the event, I felt nervous initially, but seeing my relaxed peers helped ease my anxiety. After four rounds and a tiebreaker, we were proud to finish in second place and even made new friends from other schools. Overall, it was a highlight of my school life.

**Rohan Rajiv Raja - Class 2C**

## Spelling Bee

Participating in my first interschool spelling bee was unforgettable. The auditorium buzzed with excitement and nerves as competitors prepared to showcase their skills. With each round, the words became tougher, and I was immersed in a whirlwind of letters, fueled by the audience's cheers and gasps. It was inspiring to see my peers' determination. Our school ultimately secured second place, and holding the trophy high filled me with a rush of elation. This experience solidified my desire to embrace future competitions. I enjoy the excitement and friendship with my teammates.

**Krishiv Gutka - Class 2E**

## Swimming Display

Some kids were excited and great at swimming, while others felt a bit nervous by the pool. We practised different swimming strokes. I loved backstroke because it felt nice and smooth. The sun shone on the water, and we heard a lot of laughter. After swimming, we enjoyed delicious juice and tasty snacks that made us happy. When the clock struck 12:00 PM, it was a little sad to see everyone leave back to their various classes. We had so much fun, made new friends, and created great memories. will always remember!

**Jiana Savla - 2F**

## Swimming Display

I was happy and excited for my turn. At first, it was nerve-racking, and the water was cold. "321, go!" I gave it all I had; it was freestyle with a kickboard. My friends and I ate a little of my mom's tempting butter popcorn after swimming. Next, it was freestyle with nothing. Before I knew it, it was time for the shallow enders. I cheered for my friends, and then it was time to go back to class. We were all given juice and crisps. The display was fun!

**Isaac Darren Prabhu Class 2E**

## Overnight Camp

When we arrived for our overnight trip, we gathered in the quadrangle, eagerly waiting for everyone else to join us. After our names were called, we hopped onto the bus and headed to Two Rivers, where we had an absolute blast playing and enjoying every moment. I even took a ride on the merry-go-round; it was a bit nerve-racking at the top, but I pushed through and loved it. Once we returned, we had lunch and then dove into an afternoon swim. Later, we set up our mattresses, served dinner, and roasted marshmallows over the fire. To cap off the day, we watched a movie before finally settling down for the night.

**Sanvi Jatan Class 2F**

## Overnight Camp

We visited two rivers and snapped some pictures before heading into the mall. There, we had a blast jumping on the trampoline, trying out the drop tower, and swinging on a massive swing. After some free play for about an hour, we got in line for the water roller coaster while we waited for the others to join us. Once everyone was together, we made our way back to the bus and returned to school for lunch. After eating, we went for a swim, then enjoyed dinner together. Later, we settled in to watch a movie before calling it a night. In the morning, we changed and enjoyed a hearty breakfast to kick off the day..

**Zena Makena Class 2A**

## Overnight Camp

The overnight camp was truly amazing! We participated in a variety of activities, and my favorite was definitely the rides. We indulged in plenty of delicious snacks that really hit the spot. After that, we enjoyed swimming and played sports before moving on to some fun balloon games. Once the day wrapped up, we settled down for a good night's sleep. The next morning, we kicked things off with an exciting robotic show. Before we knew it, our trip had come to an end, but we had an incredible time and made memories to last a lifetime!

**Nayonika Digga Class 2C**

## Overnight Camp

On Thursday, we kicked off our overnight camp adventure by travelling to Two Rivers Mall by bus. We had an absolute blast playing both indoor and outdoor games, but the highlight had to be the Ferris wheel. Once we returned to school, we enjoyed a delicious lunch before diving straight into the pool with my friends. After dinner, we settled down to watch the movie "Inside Out," which was really entertaining. The best part of the night was the bonfire, where we roasted delicious marshmallows. Eventually, we crawled into our tents and drifted off to sleep.

**Jiana Gajjar Class 2B**

## Overnight Camp

On Thursday, I attended an overnight camp, and we had a blast! We visited Two Rivers Mall, where we ran around exploring all the fun attractions. We even went inside to enjoy exciting rides like the drop tower. Playing games at the playhouse was a highlight of the day—it was an absolute thrill!

**Naya Nduta Class 2E**

## Year 2 Presentation

It was the best day of my life! I felt nervous at first, but my teacher's advice helped me remember that the audience doesn't know what to expect. I realized it was my time to shine! I really enjoyed singing and dancing. Thank you to my teachers for all their help. I'll never forget this day!

**Pankti Savla Class 2A**

## Year 2 Presentation

It was a very busy week for me. Preparing for the play took much of my time. We skipped most of the lessons. Our teachers were always with us, trying to guide us in the areas that needed improvement. I was the best dancer in my class, and I also believe that my costume was one of the best. This was the best day for me.

## The Inclusive Education Department Desk

We welcomed students back for the second term with energy and enthusiasm. We started with a house meeting to share upcoming events and expectations. Teaching across all subjects went smoothly, with students engaging actively in lessons. They participated in PE, a Swimming Display, Occupational Therapy, and ADL lessons that focused on independence in dressing. In Culinary Arts, students made jelly, boosting their confidence in food preparation.

During assembly, students enjoyed DEAR (Drop Everything and Read), fostering a love for reading. The ASDAN Valentine Dinner celebrated their talents with a Cultural Fashion Show and performances. They also participated in a graduation ceremony to recognize their achievements. An Inter-school Swimming Display promoted teamwork and water confidence among students.

Literacy Week's Spelling Bee helped improve their language skills, making learning fun. The Inter-Special School Sports Extravaganza offered inclusive physical activities that encouraged participation and teamwork. Students enjoyed trying new sports and socializing with peers.

Lastly, an Assembly showcased each student's unique talents, helping to build confidence and self-esteem. Overall, it was a fantastic term, filled with engaging activities that promoted growth, teamwork, and community spirit.

## Words, Wisdom, and a Winning Streak!

What a spellbinding end to the term! Our English Department turned up the volume on literacy as we hosted 13 schools for an epic Inter-School Spelling Bee. Under the theme "Uniting Schools Through the Power of Words," the stage was set for a lyrical showdown!

From the first "A" to the final "Z," students lived by our mantra: "Spell It to Win It." The room was buzzing with nerves and brilliance, but one school rose above the rest. A massive roar of congratulations to Oshwal, who emerged as our Overall Winners!

A huge shout-out to our incredible coaches! Your tireless dedication and "letter-perfect" guidance were the secret ingredients to this success! Thank you for pushing our students to reach new heights.

We've officially proven that words don't just build sentences—they build a community.

Wishing you a restful break filled with world-class reading!

## End of Term Highlights

As we come to the close of this term, I am delighted to share the wonderful experiences and achievements of our Year One learners. It has been a term filled with growth, exploration, and joy. The children have embraced new challenges with enthusiasm, and their curiosity has shone through in every activity.

## Swimming Display

Our swimming display was a joyful celebration of effort and achievement. From beginners to more experienced swimmers, every child showed determination and improvement, impressing both teachers and parents.

## Spelling Bee Competition

The Spelling Bee was a highlight of the term, showcasing the children's growing confidence and love for language. In the Spelling Bee, we competed with 11 schools, although we came in 2nd place, we were proud of our efforts and looked forward to the next competition. Each participant demonstrated courage and skill, making us proud of their progress.

## Overnight Camping at School

Our young adventurers enjoyed an unforgettable overnight camp on school grounds. With tents pitched and activities under the stars, the experience encouraged independence, teamwork, and resilience.

## Day Trip to the Animal Orphanage

The visit to the animal orphanage was both educational and inspiring. Learners were fascinated by the rescued animals and gained valuable insights into conservation and the importance of caring for wildlife.

These activities were all a great way to learn new skills, stay active, and be creative, making this term a memorable and exciting experience!

## Year 2 Overview

As we come to the end of another exciting and productive term, I am delighted to share some of the wonderful achievements and memorable experiences our year group has enjoyed. It has been a busy term filled with enthusiasm, teamwork, creativity, and resilience.

## Swimming Display

Our pupils demonstrated incredible determination and sportsmanship during this year's Swimming display. It was fantastic to see such high levels of participation, with many students taking part. This was encouraging to their peers throughout the session.

## Fun Trip and Overnight Camp

One of the highlights of the term was undoubtedly our residential trip and overnight camp at school. The children embraced every opportunity with excitement and courage. From the outdoor adventure activities to the much-anticipated campfire in the evening, the experience was both enriching and unforgettable.

The overnight stay was a wonderful opportunity for students to develop independence, resilience, and stronger friendships. Staff were especially impressed by the maturity and cooperation shown throughout the trip. It was heartwarming to see pupils stepping out of their comfort zones and supporting one another.

## Spelling Bee

Our annual Spelling Bee was another fantastic event that showcased the academic dedication within the year group. Participants prepared diligently and demonstrated impressive vocabulary knowledge and composure under pressure.

The competition was closely contested, and all students who took part should feel immensely proud of their efforts. Events like these not only strengthen literacy skills but also build confidence in public speaking — a skill that will benefit them greatly in the years ahead.

## Year Group Play Presentation

We concluded the term with our much-anticipated Year Group Presentation. The production was a true celebration of talent, teamwork, and creativity. From the confident performances on stage to the hardworking backstage crew managing props, costumes, and sound, every pupil played a valuable role. The audience was thoroughly entertained, and many commented on the cast's professionalism and enthusiasm. It was clear how much dedication had gone into rehearsals, and the final performance was something the entire year group could be proud of.

## Looking Ahead

As we move into the next term, we remain committed to nurturing both academic excellence and personal development. Thank you for your continued support - it makes a tremendous difference to our pupils' success and wellbeing.

Wishing all our families a restful and enjoyable break.

Warm regards

**Esther Okore - Head of Year Group - Year 2**

## **Kiswahili Term 2 2025/2026**

### **Kiswahili Department Report**

As we come to the end of Term 2, we are proud as a department. We have gone a notch higher in ensuring that Kiswahili language is taking good strides towards enabling the learners appreciate their efforts in learning the language. With the efforts of both the teachers and the management we were able to start our reading lessons in Kiswahili and the learners are happy and always looking forward to the same. We will keep on progressing and trying to improve in all areas until we are able to confidently and effortlessly communicate effectively in Kiswahili.

## **The World Scholars Cup 2026 Nairobi Round**

The World Scholars Cup 2026 Nairobi Round was one of the most competitive rounds in the competition's history. We faced a tough competition from over 500 students in the Junior category. Our teams – after the rigorous training sessions- were all geared up and ready to explore.

The two-day event saw our year 6 students out-shine the competition in debating, creative write ups as well as the Scholars Bowl and Scholars cup. The troves of medals, team trophies as well as the individual trophy scooped are a testament to the fact that the event brings out the fighting spirit in our students. Not forgetting the capacity to find sustainable solutions to the challenges our society is facing. Our confidence is high in the sky and we look forward to the next challenge.
